

Mission

The American Academy of Developmental Medicine and Dentistry (AADMD) was organized in 2002 to provide a forum for healthcare professionals who provide clinical care to people with neurodevelopmental disorders and intellectual disabilities (ND/ID). Our mission is to improve the quality of healthcare for individuals with neurodevelopmental disorders and intellectual disabilities.

Becoming A Member

Membership in the AADMD is available to anyone interested in improving the quality of healthcare for individuals with ID/DD. To become an AADMD member, simply go to:
<http://aadmd.org/page/registration> and complete the application.

Once your registration is complete you will begin receiving the AADMD's regular *InfoBlast* communications, keeping you informed of the latest activities in the field.

We strongly encourage health professional students and residents to join by offering a **complementary student-resident AADMD membership**.

Join Us & Start Your Local Chapter Today!

Goals of Student Committee

- Create community of students/residents interested in serving adults with ID/DD
- Provide opportunities for education, leadership, and growth within the field
- Match up members with AADMD physicians/dentists for guidance
- Create community projects and advocate for individuals with ID/DD
- Assist schools in creating their local AADMD chapter

How Do I Start A Local AADMD Chapter?

- **Identify** 1 student and 1 faculty advisor to complete AADMD application
- **Acquire and complete** AADMD Student/Resident application at: <http://aadmd.org/page/aadmd-studentresident-committee>
- **Coordinate** with your school and make your AADMD Student/Resident local chapter a recognized group on campus.
- **Start** attending meetings, developing your local projects and advocating for people with ND/ID!!
